is about!

### Young Executive Forum (YEF)...

☆ is a group of industry executives who are 45 years of age or under.

☆ is unique to ISA and provides an invaluable networking platform within the MROP industrial channel for it's members.

☆ is helping more young executives to develop and expand their management skills through leading educational programs and seminars.

☆ sponsors Socials, Roundtable Sessions and Golf Outings in conjunction with ISA conventions, as well as an Annual Outreach Program and Executive Development Retreat.
