
Are you interested in participating and connecting with other W.I.S.E. members more actively? Do you have time, talent and expertise to share with the group in a meaningful, positive way?

Join a W.I.S.E. committee!

We are grateful to our members for giving their time and talent to help our group grow, thrive and fulfill our Vision, Mission and Goals.

Communication Committee: Responsible for the oversight of all W.I.S.E. communication, within the membership and externally. This includes processes related to branding governance, curating and reviewing content, making content available to membership in various formats. The Communication Committee develops and distributes the W.I.S.E. newsletter and is active in assisting with creation and distribution of notifications, event invites and Summit information.

Chair: Miriam Metcalfe – miriam.metcalfe@dormerpramet.com

Education and Development Committee: Responsible for the educational strategy for personal and professional development of W.I.S.E. members. The context and content of any W.I.S.E. educational curriculum falls under the oversight of this committee. The Educational and Development committee works hard on our annual Summit to choose a theme, speakers and topics that will bring enrichment and learning opportunities to membership.

Chair: Nancy Schwind – nschwind@industrialbuyers.com

Engagement Committee: Responsible for creating the W.I.S.E. engagement strategy in alignment with the mission and vision, and with clear regard to what members find valuable. This committee works in collaboration with other committees to execute this strategy, through Networking, Communication and Membership. The Engagement Committee uses feedback from W.I.S.E. members to help develop touchpoints and to create opportunities for members to engage with each other as well as with the broader industrial channel.

Chair: Molly Langdon – mlangdon@stellarindustrial.com

Membership Committee: Responsible for providing support and structure for the recruitment, retention and growth of W.I.S.E. membership. This committee works to develop processes and guidelines for recruiting and onboarding new members, connecting with women nominated for W.I.S.E. membership, processing new member applications and welcoming new members. The Membership Committee collaborates with other committees to encourage engagement for members to remain active and involved.

Chair: Carmen Montalbano – cmontalbano@rustoleum.com

Networking Committee: Responsible for planning and executing fun and enriching events and opportunities for W.I.S.E. members to connect and strengthen bonds that bring us all together. This committee is also responsible for planning portions of the annual W.I.S.E. Summit that create opportunities for bonding and comradery, joining members together for meaningful community service events, cocktail receptions at industry meetings or regional events like holiday parties and get togethers.

Chair: Kimberley Smith – ksmith@adhq.com

If you're interested in joining a committee, talk to a W.I.S.E. Leadership team member or visit the WISE page on the ISA website, click on W.I.S.E Committee Volunteer opportunities <https://www.isapartners.org/networks/wise/>
