

Invest in Your Next Leader.

An ongoing leadership development and peer advisory program built for emerging talent in the industrial supply channel.

Program Overview

Elite Mastermind helps emerging leaders build the practical skills, business perspective, and leadership confidence to make a greater impact. Through expert-led learning and monthly peer advisory discussions, participants develop critical leadership and business skills, apply new insights to real workplace challenges, and build a trusted network of industry peers they can learn from and grow with over time.

Core Focus and Value

- **Zero Out-of-Office Disruptions:** 100% virtual, on-demand format requires only ~2 hours a month.
- **Immediate Workplace Impact:** Participants bring current real-world business challenges to solve with industry peers.
- **Develop Future Leaders:** Builds the business acumen and leadership perspective needed to contribute at a higher level.
- **Industry Peer Network:** Builds a career-long inner circle of peers across the industrial supply channel.
- **Stronger Leadership Skills:** Develops the strategic mindset and presence needed to influence teams and deliver results.
- **Built for the Industrial Channel:** Strict focus on practical distribution, manufacturing, and industrial channel dynamics.
